

# Safe Until Tomorrow

By Maura Kennedy

*Intro: D G Bm A*

D G Bm A

You watched the fire burn on the hillside

D G Bm A

Thought you were safe until the flames were at your door

Bm G D A

And later on the bitter rains brought on a landslide

Bm G D A

So hard, to fight a foe you've never seen before

**D G Bm A**

**If we can only keep you safe until tomorrow**

**D G Bm A**

**I promise you there'll be 10,000 better days**

**Bm G D A**

**I do believe that you believe the things you thought you heard**

**Bm G D A**

**And saw the things that made your heart beat like a thousand drums**

*first chorus ending:*

**Bm G A D G Bm A**

**If we can only keep you safe until tomorrow comes**

*second chorus ending:*

**Bm G A Bm**

**If we can only keep you safe until tomorrow comes**

*third chorus ending:*

**Bm G A Bm E G A D**

**If we can only keep you safe until tomorrow comes.....Until tomorrow comes**

D G Bm A

You bear your suspicion like a battle scar

D G Bm A

Laugh at my superstition, dance upon the crack

Bm G D A

Sometimes I wonder where it is you think you are

Bm G D A

Sometimes I wonder if you're ever coming back

**Second chorus, then:**

**E G A Bm E G A**

I know it, it's so hard to trust a pathway made of crumbs, but we'll show you the way

**Third chorus**
